

Niagara Peninsula Energy Inc.

- Individual metering for your units
- More control for your residents
- Improved energy efficiency for your building

Niagara Peninsula Energy Inc. is the only fully regulated, suite metering provider in its service territory. We are regulated by the Ontario Energy Board, delivering one-of-a-kind security and transparency.

Niagara Peninsula Energy Inc. makes suite metering easy – we are with you every step of the way. Our entire process is designed for you, the developer. We take care of everything.

From design through to managing installation, Niagara Peninsula Energy Inc. is a full turn-key suite metering solution tailored to fit your needs.

The suites and common areas will be direct customers of Niagara Peninsula Energy Inc. Customers will continue to enjoy the same level of customer service and reliability that they have come to know and expect from their utility.

Conservation becomes easier than ever – as direct customers of Niagara Peninsula Energy Inc., condo owners will be able to take advantage of many popular incentive-based energy conservation programs.
