

COMPETENCY PROFILE / LIST OF DISCIPLINES

Date: _____

Contractor Name: _____

Email: _____

Contractor Declaration: Employees conducting work for NPEI are competent in their respective disciplines and have received the proper training in accordance with the legislative requirements and / or NPEI requirements listed in the chart below.

"competent worker", in relation to specific work, means a worker who,

- (a) is qualified because of knowledge, training and experience to perform the work,
- (b) is familiar with the **Occupational Health and Safety Act** and with the provisions of the regulations that apply to the work, and
- (c) has knowledge of all potential or actual danger to health or safety in the work; (project sites require tailboard indicating hazards identified and control measures taken)

Note: In addition to the above definition a "competent supervisor" includes having the knowledge, training and experience to **organize** work for your workers.
