

ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF NIAGARA PENINSULA ENERGY INC.

Niagara Peninsula Energy Inc. has applied to raise the rates it charges for the distribution of electricity.

Learn more.

Niagara Peninsula Energy Inc. has applied to the Ontario Energy Board to increase the amount it charges for distributing electricity by approximately \$0.49 each month for a typical residential customer that uses 800kWh of electricity per month starting on May 1, 2016. Other customers, including businesses, may be affected as well.

The requested rate change includes an adjustment using a formula which is tied to inflation and other factors intended to promote efficiency.

The application also includes a proposal by Niagara Peninsula Energy Inc. to increase the amount built into its rates to help it maintain its cash flow.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Niagara Peninsula Energy's request. We will determine whether Niagara Peninsula Energy has used the applicable models and formulas as required by the OEB and whether to approve Niagara Peninsula Energy's request for an update to the amount required to cover its cash flow needs. At the end of this hearing, the OEB will decide on the appropriate rate changes.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process:

- You can review Niagara Peninsula Energy's application on the OEB's website now.
- You can file a letter with your comments, which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply no later than **November 2, 2015** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB's decision and its reasons on our website.

The OEB intends to consider cost awards in this proceeding that are in accordance with the *Practice Direction on Cost Awards* and are in relation to Niagara Peninsula Energy's proposed request to update the amount included in rates to manage its cash flow.
